APPLESTORE
CAFE

CARLA GEBHARD

ARTIST & ILLUSTRATOR

Spring has arrived at the Applestore Cafe!

Why not go on a nature walk to see if you can spot any of nature's clues?

Remember to look out for...

Snowdrops

Are one of the first signs that Spring is on its way.

Butterflies

The Peacock Butterfly is one of the first butterflies to appear in Spring.

Birds

Bluetits are one of the first birds to start building their nests in Spring.

Hedgehogs

Start to venture out (at night) from their leafy nests, after a long hibernation during the winter months.

For prints, gifts & beginner's watercolour workshops visit Carla's shop/studio behind the cafe, along with the other artisan retailers.
